Dear Parents and Carers,

Jotmans will not be fund raising for **Sport Relief** this year because we are focussing on supporting Mrs Hindes and Miss Groves who are running marathons this year for deserving charities.

They are running in The London Marathon and The Brighton Marathon respectively for Children with Cancer, Ronald McDonalds House and Parkinson's UK.

There are two fund raising events scheduled that we would be very grateful if you would support, a Teddy Tombola and Children's Raffle. There are numerous, very exciting prizes to be won, generously donated by UK companies and organisations.

The children are invited to come to school on **Sports Relief** day on Friday 23rd March in sports clothes to celebrate physical activity. There will be NO charge. However, if you wish to give a voluntary contribution the office staff will be happy to receive it.

Can we remind parents once again to be mindful of their language when on the school premises. We have had complaints from parents who, understandably, do not want to hear **this**, especially around their children. Thank you.

We are more than happy to administer medicine to children during school time but it is very important that you come to the office to complete and sign a medical form. Please do not send it in with your child. Thank you for your cooperation.

Can all parents please be advised that whilst we are happy to look after your children's mobile phones during the school day, we cannot be responsible for any loss or damage that occurs.

Please can you ensure that you only put water in water bottles and NOT juice or squash. Thank you.

The **NATIONAL AUTISTIC SOCIETY** are holding a quiz night here at Jotmans on Saturday 24th March from 7.00pm. Payments for tickets should be made to [paypal.me/katieringer](https://www.paypal.me/katieringer). Please make sure you put your name in the comments and that it is sent via friends and family. This is a worthwhile charity raising autism awareness.

Dear Parent/Carers,

As many of you will be aware, there have been frequent cases of Child Sexual Exploitation occurring over the past few years. Sunday 18th March 2018 is CSE Awareness Day and the agencies that are working to protect young people from predators are trying to educate Parent/Carers on the warning signs to look out for, when a child or young person is at risk of being sexually exploited. The website Parents Against Child Exploitation (PACE) is offering an online course for Parent/Carers to engage with, so that they can become more aware of strategies for protecting their children. If you would like more information on how to protect your children as they approach their teenage years, we strongly suggest that you visit this site.
