Dear Parents and Carers

facebook

We wrote to you in July to tell you about the launch of our new Facebook page. We hope you have had an opportunity to take a look and see all the exciting things that have been going on in the school.

Currently, only anonymised pictures of children appear on the Facebook page. We are looking to change this to include children's faces, as we believe this will give you, as parents and carers, a greater insight into what your child(ren) get up to.

When children join the school, we ask parents and carers to sign a "Use of Pupils' Photographs" permission slip giving consent for children's photographs to be published on the variety of different mediums that the school uses. We would now like to extend this to our Facebook page and, accordingly, we attach set out overleaf, a revised permission slip which we would ask you to sign and return to the office so we can update our records.

Yours sincerely

Mr C Buck
Computing Co-ordinator

JOTMANS HALL PRIMARY SCHOOL

Use of Pupils' Photographs

As you will appreciate we want to share and promote the wonderful experiences our children have at Jotmans Hall School within the wider community. The best way to do this is to invite the press to cover sport competitions, sponsored activities, interesting visitors, shows and special events and by featuring such things on our website and on our school Facebook page.

We would like to record parents' permission to publish photographs of our children on our Facebook page, website, in the local newspapers or in school publications.

The school fully understands that some parents may not wish their child's photograph to be used in this way and would always honour such requests. We will not print any child's name, unless we specifically ask permission.

Please indicate below, by placing a tick in the relevant box, whether or not you give your consent for photographs and names to be used and return this form to the school office.
