Thank you for your continued support—FOJH

There have been a few incidents recently which have involved Parent/Carers approaching pupils, to discuss situations that have occurred between their child and another pupil during the school day. This has led to some pupils coming into school extremely upset, due to being approached by another child's Parent/Carer.

Could we please ask that if your child has had an argument or incident involving another pupil that you come into school to discuss the incident directly with a member of staff. Then the school can investigate what has actually occurred and find a means of resolving the situation.

Many thanks for your support in this matter.
Mrs P Lovett
