Bikeability 2017 - Year 6

22nd November 2016

Dear Parents/Carers

I am very pleased to advise you that once again our school have been given the opportunity to take part in the Bikeability Scheme. This is a free course that teaches the safe and correct use of a bicycle on our roads.

As a school we have always supported this very worthwhile course for our Year 6 children. It is however, difficult to fit this into the working terms due to the requirements of time needed to complete it. We have therefore decided to look at the option of using one of the half term holidays, which would result in the course being completed in one long day (9.30am - 3.00pm). I would be grateful if you could indicate on the reply slip below, which half term would be more suitable for you and we will ultimately have to go with the majority preference.

The children will be required to have a fully working bike, with a good set of operational brakes and a cycle helmet.

I hope we can again make use of this course and would be grateful if you could return the attached reply slip to the school office by Monday 28th November. This will enable us to arrange the dates before all the bookings are filled by other schools.

Thank you again for your continued support.

Yours sincerely

Mrs A Phillips
Assistant Headteacher

.....
Jotmans Hall - Bikeability Course - Year 6

Name..... Class.....
