Dear Parents and Carers

Parents' Consultatives

The school will be open from 3.30pm to 6.30pm on Wednesday 8th February and Thursday 9th February and during these times we would welcome you and your child into the class in order for your child to share his/her progress and achievements with you. We see this as a very positive move and are keen to encourage you to attend.

Not all parents wish to see the teacher, and so a system will operate whereby should you wish to speak to the teacher you can write your name on the board as you arrive and the teacher will see you in turn. We would encourage you to bring your child with you to this meeting; however, if you wish to see the teacher privately this will be accommodated. The teacher will be seated in a quiet area of the classroom, as in previous years. Each appointment will be a maximum of ten minutes and, as before, anybody needing a more lengthy discussion will have to make a further appointment another time through the School office.

On Friday 31st March all children in Years 1-6 will receive their Annual Progress Report. Reception children will receive their Progress Report in July at the end of the school year.

Your support would be greatly appreciated.

Yours sincerely,

Mrs N Kadwill
Headteacher
