Jotmans Hall Ground Force Day!

Dear Parents/Carers

Over the last half term, we have been busy making plans and preparations for our new outdoor area. A local ecologist removed the wildlife from the pond and has re-homed them in local ponds. Our Site Manager, Mr Hobday, then set to work draining the pond ready for development.

We now need your help! We need willing adult volunteers to help us on Saturday 10th June (between the hours of 9am and 12pm) to assist us to clear the area so that it is ready for redevelopment. Children are welcome to attend, however for health and safety reasons they will not be permitted to take part in the clearing and will remain your responsibility. We will have an additional project for children to participate in. Refreshments will be provided throughout the morning.

If you are able to volunteer your time, can you please indicate which time slot you are able to attend on the reply slip below and we will contact you with further details.

Yours sincerely
