Impact Tracking

Year 1 - Phonics Screening - Summer 2016

Phonics Screening Test	Whole cohort pupils	Pupil Premium Pupils
41 pupils in Year 1 2016 (of which 5 were disadvantaged)	76% passed the screening test (in line with 2015 National Average)	80% passed the screening test (4 out of 5 pupils) (High attainment compared with 2015 National Average)

(No comparative National Data for 2016 available until Nov 2016)

Strategies were put in place to try to ensure that the Pupil Premium Group attained the same success rate in the Phonics screening test as the rest of the cohort. 80% passed the test, exceeding the success rate for the whole cohort - an excellent result.

9 pupils in Year 2 who had to re-take the Phonics Screening Test all passed - 100% success rate. However, none of these pupils were in receipt of Free School Meals because they had all passed in the previous year.

Attainment End of KS1 tests (Year 2) - Summer 2016

From September 2015 the school assessed pupils using the new assessment procedures in line with the new National Curriculum 2014. Until the dashboard is released in November 2016 there is no comparative national data.

Cohort of 37 pupils - KS1		Reading	Writing	Mathematics
Pupil Premium (4 pupils)	TA - Working at expected outcome and above expected outcomes.	100%	100%	100%
	TA - Outcomes - working at greater depth	25%	50%	25%
	Test - attained a scaled score above 100	100%		100%
Non - FSM (37 pupils)	TA - Working at expected outcome and above expected outcomes.	71%	71%	74%
	TA - Outcomes - working at greater depth	15%	12%	15%
	Test - attained a scaled score above 100	77%		74%

(No comparative National Data for 2016 available until November 2016)

Attainment for this group was higher than the rest of the cohort, however currently no comparative national data is available.

Small group work + parent helper reading support was put in place to try to ensure that these pupils made at least expected progress by the end of Key Stage 1. Overall, the gap between the achievement of Pupil Premium pupils and the rest of the cohort was less than 1 step (6 steps per year group band), with the exception of Writing.

Attainment End of KS2 tests (Year 6) - Summer 2016

Cohort of 42 pupils - KS2		Reading	Writing	SPAG	Mathematics
Pupil Premium (9 pupils)	TA - Working at expected outcome and above expected outcomes.	100%	89%		89%
	TA - Outcomes - working at greater depth		11%		
	Test - attained a scaled score above 100	78%		67%	100%
Non - FSM (33 pupils)	TA - Working at expected outcome and above expected outcomes.	94%	82%		94%
	TA - Outcomes - working at greater depth		9%		
	Test - attained a scaled score above 100	91%		79%	97%

(No comparative National Data for 2016 available until November 2016)

The above results show that Pupil Premium pupils did exceptionally well. This is due to all the initiatives which have been in place for several years now and have ensured that the gap between financially disadvantaged pupils and the rest of the cohort has been reduced to almost nil. No data has been received from the DfE with regard to progress measures at this time.

1:1 tuition was offered to all Pupil Premium pupils in in Year 6 and this has resulted in accelerated progress across this period. Reading groups, small group work + parent helper reading support was put in place to ensure that these pupils made at least expected progress by the end of Key Stage 2. The higher ability pupils had literacy and numeracy challenges to ensure that their progress was also boosted in recognition of their higher ability needs. Support given to Pupil Premium pupils was tracked by the Pastoral Leader and was reported to Governors.
