KS1 WINTER GAMES

On Tuesday 28th November, children from Cedar Class travelled to The Deanes School to take part in the KS1 Winter Games. Seven schools were taking part in this event. All of the children took part in a rotation of activities including throwing rugby balls, hitting shuttlecocks and hot potato. The organiser of the event commented on how smart our children looked.

We hope that the children enjoyed taking part in this event and we are very proud of their behaviour and effort whilst representing our school.

Meagyn Weaving..."I think the activities were really fun!"

Rocco Henderson..."My favourite activity was the basketball game"

In accordance with the Schools Admissions Code, and on behalf of the Governing Body of Jotmans Hall Primary School, views are sought on the proposed admission arrangements for 2019-2020. This consultation is taking place due to the seven year consultation requirement; please note that there are no changes to our admissions policy. A copy of the policy for 2019-2020 can be found on our website. If you require any further information, please contact Mrs Fox.

Cedar and Beech classes are completing a Design & Technology project and would be grateful of any donations of clean recycling items (small cardboard boxes/egg boxes etc).
